BALINALE continues to make strong connections between Indonesian and International filmmakers. A product of the festival's networking circle is Sony Pictures' EAT PRAY LOVE (2010). In October 2008, the festival invited the film's Executive Producer Stan Wlodkowski to the BALINALE to explore potential locations, meet local filmmakers, and demonstrate that the Indonesian film industry can successfully support a Hollywood budget. Within just one year, Stan and the entire cast and crew were back in Bali filming during the 2009 festival with many of them in attendance at the Closing Ceremony and Awards Presentation.

BALINALE was instrumental in making the EAT PRAY LOVE shoot on Bali a reality and is proud to host the Indonesian premiere.
